

Carved Marble Greyhounds.

These naturalistically carved, recumbent greyhounds are carved in statuary marble and taken from original examples made in coade stone by Joseph Gott (1786 – 1860).

Gott found fame in England for his studies of dogs and portrait busts, as well as for his sculptured marble hands of Queen Victoria's children.

Dimensions

Length 29in (74cm) Width 9in (23cm) Height 8in (21cm)

Price

£3,800 a pair (+VAT)
