

18th Century Antique

A very fine 18th century chimneypiece, the breakfront shelf above a Siena marble frieze, centred by a statuary marble tablet carved with abundant fruit. The projecting Siena marble corner blocks sit above very well carved tapering Ionic columns. With original egg and dart ingrounds, and complete with associated Siena and Carrara hearth. Provenance: 7 Grosvenor Square.

Dimensions

Height 58in (147.3cm) width 81³/₈in (207cm)

Internal height 56¹/₂in (143.5cm) width 42¹/₄in (107cm)
