

Dulwich.

This white marble chimneypiece echoes the severity and minimalism of the Soane chimneypiece found in his own remarkable house in Lincoln's Inn Fields, which is now a museum. In this example, the fluted frieze is punctuated by squared paterae and stop-fluted jambs, which continue down the without-end blocks to further emphasise the severity of the piece.

Dimensions

External Height 41 $\frac{1}{2}$ in (105.5cm) Width 60 $\frac{1}{2}$ in (154cm)

Internal Height 36 $\frac{1}{16}$ in (92cm) Width 39 $\frac{1}{4}$ in (100cm)
