

### **18th Century Antique**

An 18th century bolection mould chimney piece of streaked Lunese Carrara marble. The strong contours of the ogee mouldings and the type of Carrara marble would indicate that this was of English manufacture.

#### Dimensions

Height 58½in (148.5cm) width 72¼in (183.5cm)

Internal height 48½in (123.2cm) width 52¼in (132.7cm)
