

19th Century Antique

A 19th century, neoclassical 'Adam' style chimneypiece in statuary marble, inlaid with sienna and brocatello marbles. The tiered moulded shelf breaking forward over the jambs. The central tablet is decorated with a tazza shaped lidded and draped urn, flanked by inlaid finger flutes. The pilaster shaped jambs, fluted and stopped, are flanked by sienna marble, and are capped with rectangular blocks decorated with campana shaped lidded vases.
