

Ruhlmann Wine Table.

This elegant brown oak tripod table with moulded circular top on an overscrolled tripod base is in the manner of Jacques-Emile Ruhlmann (1879–1933) and shows his preference for the simplest forms. Ruhlmann was the leading Parisian furniture designer of his time and with his partner, M. Laurent, they produced what is probably the best made and certainly the most expensive furniture of the time.

Dimensions

Height 23 in (58.5cm)

Diameter 13³/₄ in (35cm)

Depth 17¹/₄ in (43.7cm)

Price

£950 (+VAT)
