

Four Seasons.

The central tablet of this Statuary marble chimney piece is carved with four winged putti depicting the four seasons; this tradition dates back to antiquity. The classical associations are continued with end-blocks carved with husk draped urns. Richly-veined, semi-precious Jasper is used to inlay the flutes, completing the look of this chimney piece.

Dimensions

External Height 60 1/2 in (153.6cm) Width 73 3/4 in (187.3cm)
